1. Southeast of Sopron, where the race track used to be, the ground is being leveled, probably for an airfield.
2. Between Laposi Major and Zagersdorf, Austria, there is an airfield under construction, which is estimated to be 3,000 by 1,500 m. Drainage pipes are being laid. There are about 400 laborers at the site.
3. Four-engined Russian planes have arrived at the Pápa Airfield. Only three have been observed so far. Aside from these the Russians have some 200 jet fighters at Pápa and 50 IL-10 fighter bombers. The Hungarian Air Force has nine LI-2 planes at the field, which are used for training parachute troops.
